D. Singh
Director

To my mind, an Educational Institute is about building character, enriching minds and about enriching experiences that last a lifetime. Life is not a set of instructions, but a series of experiences and learning processes. Sipajhar College is no exception. From the Principal's desk this is where our College steps in to make a difference, beyond instruction and beyond learning horizons. Sipajhar College is one of the prestigious Colleges in

Darrang District. Established in 1971 on land generously donated by the well wishers of the college, it has developed into one of the leading institutions of higher education of Assam and of the district as well. It was recently accredited B+ grade by NAAC during the second cycle of assessment and has a reputation of attracting students from far flung areas in pursuit of higher education. The college is proud of having imparted extensive benefits of higher education to the local region as is evident in the brilliant results at the undergraduate level of the college.

Dear parents, while thinking of your child's future, you thought of us! That is a matter of pride and honor for us. I believe that each child is like a raindrop, just a ray of light and they project the entire rainbow; our purpose is to provide that ray of light and facilitate them to discover their true colors. Our highly motivated faculty, comprising scholars of high caliber and expertise, are there to guide our students at every step of the way. We also have a highly motivated Non-teaching staff. We cannot rest on laurels of yesterday; we must have concern for tomorrow's generation. We have to move and think ahead of our times.

My dear students, college life is a gateway to your bright future. Enjoy it but use it wisely. Realize your strengths; work on your weaknesses; with hard work and determination build the edifice for the grand success of tomorrow. In all this, remain true to yourself and you will definitely realize your dreams one day. I wish all my young friends a bright and prosperous future. May God bless you all!!!
